

.....

“We were surprised by some of our survey results, including the anxiety reported by certain groups of students. Getting this data reinforced why we need to engage in meaningful conversations with all stakeholders.”

—School Site Administrator

.....

“The parent survey made me aware that I don’t know what my son’s feelings and expectations are about college and that I want to find out.”

—High School Parent

CHALLENGE SUCCESS SURVEY TOPICS

Our Student and Parent surveys include questions that address the topic areas listed below. For several of these, we intentionally ask the exact same questions of both **students** and **parents** so that schools can gather broader data and insights to better engage the entire school community.

TOPICS	STUDENT SURVEY	PARENT SURVEY
Academic Engagement	✓	
Academic Integrity	✓	
Support & Belonging at School	✓	
Physical Health Related to Stress	✓	
Homework Load & Habits	✓	✓
Tutoring, Courses, Grades	✓	✓
Stress about Schoolwork	✓	✓
College Process	✓	✓
Sleep	✓	✓
Activities (e.g. Extracurriculars & Summer)	✓	✓
School Initiatives Related to Well-Being	✓	✓
Parent Expectations & Involvement	✓	✓
Family Time & Values		✓
